

REISSUE DECLARATION AND POWER OF ATTORNEY FOR U.S. PATENT APPLICATION

(X) Original () Supplemental () Substitute () PCT () DESIGN

As a below named inventor, I hereby declare that: my residence, post office address and citizenship are as stated below next to my name; that I verily believe that I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural inventors are named below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

Title: TELEVISION SIGNAL PROCESSOR THAT IS OPERABLE TO GENERATE A TELEVISION SIGNAL FROM BROADCAST WAVES WITH A PLURALITY OF DIFFERENT BROADCAST STANDARDS

of which is described and claimed in:

() the attached specification, or

() the specification in application Serial No. _____, filed _____, and with amendments through _____,

() the specification in International Application No. _____, filed _____, and as amended on _____ (if applicable) or

(X) letters patent number 6,288,750 granted on September 11, 2001 and in the attached specification for which I solicit a reissue patent.

I hereby state that I have reviewed and understand the content of the above-identified specification, including the claims, as amended by any amendment(s) referred to above.

I acknowledge my duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I hereby claim priority benefits under Title 35, United States Code, §119 (and §172 if this application is for a Design) of any application(s) for patent or inventor's certificate listed below and have also identified below any application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

COUNTRY	APPLICATION NO.	DATE OF FILING	PRIORITY CLAIMED
Japan	261678/1997	September 26, 1997	YES

I verily believe that the above original patent is partly inoperative by reason of claiming more or less than I had a right to claim.

The present reissue application is a broadening reissue application and has been filed within two (2) years of the date of the original patent.

A Statement of at Least One Error

Claim 1 of the patent includes an error in that the claim unnecessarily claims storage means for storing video data and additional information. Additionally, claims 1-6 include an error in that the claims are unnecessarily limited to a television signal processor and do not include the category of a television signal processing method.

All errors being corrected in this reissue application up to the time of filing of the present declaration arose without any deceptive intention on my part or on my behalf.

I hereby claim the benefit under Title 35, United States Code §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code §112, I acknowledge the duty to disclose information material to patentability as defined in Title 37, Code of Federal Regulations, §1.56 which occurred between the filing date of the prior application and the national or PCT international filing date of this application:
